Book - 2

LEGENDARY FIGHTER

Legendary Fighter

Hadi durrani

Chapter 1:

The Unknown kidnaper, Part - 1

Starting story on the next page

One night when the Legendary Fighter was sleeping in his house, he heard a spooky noise that woke him up.

The Legendary Fighter was curious about what was that noise so he went to the living room but did not see anything.

The Legendary Fighter was still very curious about that noise so he went outside with a flashlight.

He did not see anybody, but he was pushed to the ground and blacked out.

When the Legendary Fighter woke up he found himself in a cage. He threw a tornado at the cage but it would not open.

Then he saw someone with a hoodie. The Legendary Fighter could not see who that was because the hoodie was covering his face.

the Legendary Fighter asked: who are you? and why did you kidnap me?!

The unknown guy did not reply.

The Legendary Fighter grabbed the unknown guy through the cage bars and grabbed the keys from his pocket.

The Legendary Fighter run to the hallway trying to find an exit, but he could not find it because it was a very big building. The people that were working for the unknown guy were chasing him.

The Legendary Fighter ran into a dead end, and was surrounded.

He used his tornado power to make a hole in the wall to get out.

People who were following him grabbed one of his legs.Then the Legendary Fighter punched their faces and got away from them...

1. The Legendary Fighter came outside.
2. The guy with the hoodie followed him.
3. He started attacking the Legendary Fighter.
4. The guy with the hoodie was very strong, he punched and kicked the Legendary Fighter’s face and threw him to the ground and left him there.
5. The Legendary Fighter felt a little dizzy but he made his way home.

When he got home, Legendary Fighter was angry and confused.

He did not understand why he was kidnaped.

The Legendary Fighter decided to go there again to investigate who his kidnapper was.

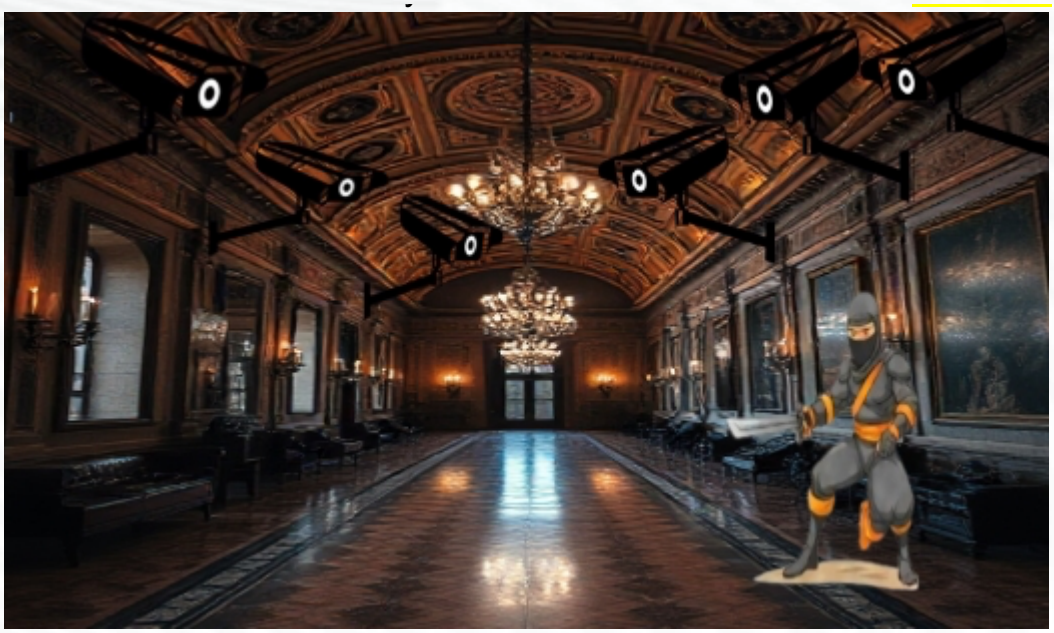
Chapter 2:

Legendary Fighter The Unknown kidnaper, Part - 2

One night the Legendary Fighter went back to the unknown guy base.

The outside door was locked so he cracked it open with his tornado power.

There were a lot of security cameras so he tried his best to avoid them.



The Legendary Fighter got caught on one of the security cameras and started shooting lasers at him.

But the Legendary Fighter dodged the lasers and
broke all the security cameras with his tornado power.

Everyone from the hallway started chasing the Legendary Fighter and the unknown guy blocked his way.

The Legendary Fighter tried to kick him and push him but the unknown guy dodged his moves.

Then the unknown guy slapped the Legendary Fighter's face.

The Legendary Fighter managed to slip off the unknown guy's hoodie and was surprised that the unknown guy was

THE MAGIC WIZARD!!!

The Magic Wizard was angry that the Legendary Fighter identified him.

So the Magic Wizard had enough of the Legendary Fighter and wanted to kill him so he grabbed a knife.

The Legendary Fighter tried to dodge the Magic Wizard's moves.

When the Magic Wizard tried to stab the Legendary Fighter he hit the wall and the knife got stuck.

While the knife was stuck the Legendary Fighter smacked the Magic Wizard's face so hard that he Blacked out.

Then everyone there started attacking the Legendary Fighter. He fought back but there were too many of them. The Legendary Fighter could not escape. He was caught and put in the cage again.

Chapter 3:
Legendary Fighter The Unknown kidnaper, Part - 3

The Legendary Fighter was thinking of a plan of getting out of there and stopping the Magic Wizard from doing anything evil.

The Legendary Fighter found a small stick in his cage and with it he tried to hack the cage open, and he did.

The Legendary Fighter ran out of the cage and the guards started chasing him. The guards also called down the Magic Wizard.

While the Legendary Fighter ran, he saw the Magic Wizard so the Legendary Fighter jumped on the Magic Wizard and punched his face.

The Legendary Fighter continued running until he saw an exit, the Legendary Fighter went to that door, opened it and saw a dead end.

The Legendary Fighter had no choice but to fight his kidnappers.

The Legendary Fighter ran into the Magic Wizard's army and kicked and punched their faces.

But it was a big army, and the Legendary Fighter could not handle it any longer.

After a few hours of fighting, the Legendary Fighter was very tired.

The Magic Wizard wanted to end the war and finish the Legendary Fighter so he throwed a big bomb to the Legendary Fighter which also affected some of the people in the army.

The Magic Wizard made his army stronger with his magic powers.

The army got up and jumped on the Legendary Fighter and kicked his face.

The Legendary Fighter got so angry at the Magic Wizard that he got up and punched everyone's face and made a really big tornado that swallowed everyone in and threw them to the ground from a high distance.

It was so strong that it broke the entire building into little pieces.

Then at last the Legendary Fighter took the Magic Wizard into the tornado and throwed him so far that he was in the middle of the ocean.

After everyone blacked out. the Legendary Fighter went back home, and when he arrived home, he felt good after all that fighting

Chapter 4:

Legendary Fighter The Mission From the

Police, part 1

One morning, the Legendary Fighter got a call from the police.

The Legendary Fighter attended it and they needed help catching a really active and strong bad guy who was stealing money from people!!!

The police said: go to his house during night and bring him to us and return the stolen things, but if he tries to fight you, then try your best to defend yourself.

So that night, the Legendary Fighter went to the bad guy's house and tried to unlock the door but it did not open.

So, the Legendary Fighter climbed up to his house roof and jumped into the chimney.

When he just jumped, the Legendary Fighter smelled a fire.

The Legendary Fighter saw the fire down the chimney.

The Legendary Fighter freaked out and just held on to the wall in his full power.

But the wall was very slippery.

Then the bad guy in the house heard some noise. So he came to the chimney because he heard the sound from the chimney.

Then the bad guy put water in the chimney to see who was in the chimney.

When the Legendary Fighter saw the fire was gone, he jumped down the chimney and when the bad guy saw the Legendary Fighter, he was surprised, confused and angry.

The bad guy went directly to the Legendary Fighter and started attacking him.

Then the Legendary Fighter kicked back his face and threw him to the ground.

The Legendary Fighter asked: Where is the stolen stuff? And why are you stealing stuff?

The bad guy replied: please do not hurt me !!! I-I work for someone that forced me to work for them and he has the stolen stuff.

The Legendary Fighter asked: where does he live?

The bad guy replied: The address is 123 Maplewood Drive, Springfield, IL 62711.

Then the Legendary Fighter ran out from the house and went to 123 Maplewood Drive, Springfield, IL 62711.

Chapter 5:

Legendary Fighter The Mission From the

Police, part 2

When the Legendary Fighter arrived at the address, he went to the door but it was locked.

So, the Legendary Fighter climbed up the house where he found a window. He broke the window and went in.

When the Legendary Fighter got in the house, he saw the bad guy, so the Legendary Fighter jumped on him.

The bad guy got angry so he punched the Legendary Fighter's face and threw him to the ground.

Why did you break into my house, get out of here, said the bad guy.

I'm not going anywhere unless you give me the stolen stuff, said the Legendary Fighter

Then the Legendary Fighter got up and slapped his face and pushed him.

The bad guy went to the Legendary Fighter and started choking him, while the bad guy was choking the Legendary Fighter, the Legendary Fighter threw tornadoes at the bad guy that let go of him.

The Legendary Fighter was getting tired of fighting so the Legendary Fighter threw a giant bomb and ran out of the house.

When the Legendary Fighter bombed the place, the bad guy fainted.

Then the police came and took the bad guy and returned the stolen stuff.

The police thanked the Legendary Fighter and gave him a certificate.

The Legendary Fighter was glad he helped people.
